MINOT-SLEEPER LIBRARY—REPORT OF TRUSTEES

The trustees of Minot-Sleeper Library are extremely grateful for the bequest of $5,000.00 from the estate of Frances Minot, late of Concord, N. H., which has come into their hands during the past year. The extract from her will reads as follows:

"To the Trustees of the Minot-Sleeper Library of Bristol, N. H., for the use and benefit of said Library and for no other purpose, five thousand dollars ($5,000), the income thereof to be expended as the Trustees see fit, and if the proper accommodation of the Library shall require an addition to its building any part or the whole of the five thousand dollars may be used therefor in the discretion of the Trustees."

This legacy is in the form of cash and sixty-seven shares of Bristol Aqueduct stock.

The new magazine rack has proven an added convenience in the reading room.

The congestion of the book shelves, reported last year, has been somewhat relieved. With the assistance of Miss Pratt, from the State Library Commission, many worn and outdated volumes have been removed from the stacks, or placed in reserve. However, the space thus made available is fast being utilized by the continual purchase of new books.

A few minor repairs have been made on the Library building, but much is needed both to the interior and exterior. The Trustees recommend that these repairs be cared for as soon as possible.

The Librarian and some of the Trustees attended the neighborhood meeting in Groton, also the meetings of the N. H. Library Association held in Plymouth. One

of the Trustees enjoyed the wonderful display of books, the exhibition of book binding and the afternoon with some of today's best known authors at the Boston Book Fair.

Much excellent reading can be found in the best magazines of the day and Minot-Sleeper Library is fortunate in being able to give, through the Minnie Maria Day-Jackman Fund, a fine opportunity to its readers in this line. The list of magazines follows: Atlantic, American, American Boy, American Girl, American Forest, Better Homes & Gardens, Child Life, Christian Century, Cosmopolitan, Dumb Animals, D. A. R., Embroideress, Flower Grower, Good Housekeeping, Harpers, Ladies' Home Journal, National Geographic, Home Arts Needlecraft, Popular Science, Popular Mechanics, Readers' Digest, St. Nicholas, Radio and Modern Mechanics and Inventions, Nature, Boys' Life, Time, Mechanics Illustrated, Parents' Magazine.

The Librarian's Report

This has been the usual busy year in the Library. Requests for books from the State Library have nearly doubled. The new magazine rack has proved a great convenience. Our summer guests appreciate the privilege of the Library and bring in many of their used magazines as a contribution.

I attended the New Hampshire Library Association meeting in Plymouth and the district meeting in Groton.
